Host terms and conditions

GuestTours Host Partner Program · Host terms v1, 8 October 2026

These terms apply between you (the host) and GuestTours, run by Amber Janbroers, sole trader, ABN 51 726 603 464, Cairns QLD.

1. **Commission.** You receive 50% of the commission GuestTours earns on each qualifying booking. That is half of the commission, not half of the tour price.
2. **Qualifying booking.** A booking counts when it is tracked to you through your link or QR code within 60 days, or when the guest names you or your property, and when it is confirmed and paid by the guest.
3. **When commission is earned.** Your share is earned once the guest has completed the tour. Bookings cancelled or refunded before the tour earn no commission.
4. **Payment.** Monthly by bank transfer, by the 15th, for tours completed in the previous month, together with a statement.
5. **Refunds after payment.** If a paid booking is later refunded, that share is deducted from your next payment.
6. **Questions about a statement.** Let me know within 30 days of receiving it and I will check it with you.
7. **Discounts and packages.** Not offered by default. Any discount, group rate or package price is agreed case by case in writing (WhatsApp or email counts), including how it affects your share.
8. **Ending the partnership.** Either of us can end it at any time with a message or email. When it ends, I take your page offline within 7 days, and commission on bookings made before that date is still paid once those tours are completed.
9. **Your content.** You give GuestTours permission to use the tips, texts and photos you send for your guide page and welcome card. You confirm that you took the photos yourself or have permission to use them.
10. **Bookings go through GuestTours.** You do not take payments for tours, promise prices or discounts beyond what we agreed, or make bookings with operators on behalf of your guests. Questions about tours come to me.
11. **Your listing rules.** You are responsible for following the rules of Airbnb or any other platform you list on.
12. **Tax.** Your share is paid without GST, as GuestTours is not registered for GST. You are responsible for any tax on your earnings.

13. **Responsibility.** GuestTours is responsible for the bookings it makes for your guests. You are not responsible for the tours, and GuestTours is not responsible for your property or your stay.
14. **Privacy.** Guest details are used only to handle their bookings. Your bank details are used only to pay your share and are never shown on any page. Your statement shows the tour, date, amount and status of each booking.
15. **Changes to these terms.** I will email you at least 30 days before any change takes effect.
16. **Law.** These terms are governed by the laws of Queensland, Australia.
